PRESIDENT'S NOTES

My heart overflows with joy as I think about the love that was poured out for Audrey in her time of need. You gave of your time and finances without hesitation. A very large task was placed before you and you did not waver. What was accomplished in a very short time was amazing. You impacted lives and hearts with your love and kindness. Jesus said in John 13:34 & 35 – “A new command I give you: love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another.” The family members of Audrey and David saw this love. Our chapter and its people were given praise for their work and provision, but we know the glory belongs to the Lord and we give Him all the praise.

At times, we get overwhelmed with the size of the task before us, turning it into a large mountain to climb, but with skill and determination as a body we can accomplish much. Jesus said in John 16:33 – “I have told you these things, so that in Me you may have peace. In this world you will have trouble. But take heart, I have overcome the world.”

That is how we are to approach each problem or task, no matter how large or small. A problem or task contains many parts. So does the body. The body is made up of people with certain skills, gifts and experiences capable of handling a part of the problem or task. Working together, we solve the problem complete the task. We become a group of over comers.

So when we are faced with a large task, a big obstacle like a mountain or even giants, trust in the Lord and stand unified as a body. Paul wrote in Phil 4:13 – “I can do everything through Him who gives me strength.” Jesus said in Matt 19:26 – “With man this is impossible, but with God all things are possible.”

God Bless,

Robert Moran

CHAPLAIN'S NOTES

In Romans chapter twelve it speaks on our personal responsibilities as living sacrifices. As Christians we are called not to conform any longer to the pattern of this world with its behavior and customs that are usually selfish and often corrupt. Many Christians decide that the worldly behaviors are off limits for them. That is a good thing. Our refusal to conform must go deeper than our behaviors. It is a matter of our hearts as well. In the Old Testament God made it clear that obedience from the heart was much more important. God wants us to offer ourselves, daily laying down ourselves to serve Him.

We must conform in our behaviors and our actions and hearts to serve Him. We must be transformed by the renewing of our minds and hearts. It is possible to avoid most worldly customs of our day and still have a proud heart, jealousy, selfishness or stubborn or arrogance. It is only when the Holy Spirit renews our minds and hearts in His word that we are renewed to be more like Christ. Let us draw near to Him in his word and prayer so that we might be renewed in our behavior, minds and heart!!

Let our light shine for Him by the renewing of our mind, soul, and heart!!

Blessings to you all!!

STREET MINISTRY REPORT

God was good to us again and provided good weather and parking for us today. Tammy and Chuck joined Karen, Jennifer and her two sons and me. Our beloved Sara had to be out of town but she was with us in spirit.

Sara and her parents provided snacks and there were lots of PB&J's to hand out. We saw a lot of people and gave out snacks and sandwiches as well as ready made goodie bags.

We spoke to: **Paul** who said he was good today and didn't need prayer
Richard who was just out of detox and needed to find a place to stay for the night

People we prayed for: **Carl** - homeless with many problems. Broke down as he was being prayed for

Lokito - asked for prayer for his 2 month old baby girl, **Lamera**. They had recently been evicted. The baby and her mother had a place to stay but Lokito was on the street and needs a place to live. He hopes his family will be back together soon.

Nestovik - stated he was a victim of Columbine, had scars on the back of his neck. He was a service worker doing something in the library at the time of the shootings. He had a boom box and CD player he wanted to sell.

Jesse - an elderly man we see on the corner everytime we go downtown. He has an apartment but only has his Social Security check of \$657 a month to live on.

Bill - has back pain

Alpha - wants to get off the streets and stay on the good path

David - has a broken hand

Big Mike - lead the prayer for the group and asked for prayer for a friend being deployed to Iraq. He is a pilot

David - his unborn child

We thank you for your prayers and support. We are truly blessed to be allowed to do this ministry for Jesus.

God Bless,
Marilyn
